Come Fly Away
A NEW MUSICAL

FLY TO THE MOON
with **OL' BLUE EYES!**

June 5-10

Come Fly Away is the new Broadway musical that brings together the legendary vocals of FRANK SINATRA and the creative vision of Tony Award®-winner TWYLA THARP (*Movin' Out*).

This one-of-a-kind experience combines the seductive vocals of "Ol' Blue Eyes" with the sizzling sound of a live on-stage big band and the visceral thrill of Tharp's choreography. As 14 of the world's best dancers tell the story of four couples falling in and out of love, you will experience the exhilaration of a first kiss, the excitement of a first dance and the bittersweet moments of a first good-bye in a world of sparkling romance and astonishing beauty. *Come Fly Away* features a host of beloved Sinatra classics including "Fly Me to the Moon," "My Way," "New York, New York" and "Witchcraft."

A TRUE AMERICAN CLASSIC!

July 13-22

Packed with memorable music, rousing dances and a touch of human wisdom, this legendary production is filled with side-splitting laughter and heartfelt tears! This award-winning musical captures the colorful story of one Jewish father's struggle to hold on to his family's traditions amidst the rebellious antics of his three independent daughters and the turmoil of an ever-changing world. A rich score including: "If I Were a Rich Man," "Sunrise, Sunset," "Matchmaker, Matchmaker" and "Tradition" has touched audiences around the world with its humor, warmth and honesty.

ANDREW LLOYD WEBBER'S FIERY STORY OF LOVE, FAME and HOLLYWOOD!

July 24 - 29

Sunset Boulevard weaves a magnificent tale of faded glory and unfulfilled ambition. Having been discarded by tinsel town with the advent of "talkies," silent movie star Norma Desmond longs for a return to the big screen. By the time she meets struggling Hollywood screenwriter Joe Gillis, the glitz and glamour of her Hollywood life has faded in all but her mind. Their passionate and volatile relationship leads to an unforeseen and tragic curtain call, perfectly captured by Andrew Lloyd Webber's sweeping score including "With One Look" and "As If We Never Said Goodbye."

The Addams Family

A NEW MUSICAL
COMEDY

The weird and wonderful family comes to devilishly delightful life in *The Addams Family*. This magnificently macabre new musical comedy is created by *Jersey Boys* authors Marshall Brickman & Rick Elice, Drama Desk-winning composer/lyricist Andrew Lippa (*The Wild Party*), choreographer Sergio Trujillo (*Jersey Boys*) and Olivier Award-winning director/designers Phelim McDermott & Julian Crouch (*Shockheaded Peter*) with production supervision by four-time Tony Award®-winner Jerry Zaks. This is definitely not the same old song and dance.

It's every parent's nightmare. Your little girl has suddenly become a young woman, and what's worse, has fallen deliriously in love with a sweet, smart young man from a respectable family. Yes, Wednesday Addams, the ultimate princess of darkness, has a "normal" boyfriend, and for parents Gomez and Morticia, this shocking development will turn the Addams house downside up. It's a family portrait that's completely off the wall. *Presented in cooperation with*
